

**LIVINGSTON COUNTY HOCKEY ASSOCIATION
2019 SPRING YOUTH HOUSE HOCKEY REGISTRATION**

Livingston County Hockey Association is offering a spring hockey program for Mites through Midgets. The season will run the first week of April through mid May. The season will consist of twelve (12) home skates, two per week. We will have inner league play, however with fewer games amongst each other it gives your team an opportunity to double your skates with a home and home games with teams outside our association. Price includes one jersey (socks are not included). Refs will require parents to pitch in approximately \$3 - \$5 dollars per game, games to be determined by head coach. This format will give you the most BANG for your buck. Sign up soon, space is limited! Looking forward to a great spring, Go Lightning!
